2. Review of Monthly Report

R-2

Russell: Refer back to the EIC for further consideration and report.

25X1A9a [REDACTED]: Find out what final minutes of the IAC record.

King: OWI feels that there is a need for a study such as this.

Meeting next week.

25X1A9a [REDACTED]: on "responsibility of EIC Secretary."

Doherty raise JCS request to IAC on capabilities of USSR to conduct economic warfare.

- Doherty appalled, low priority policy
- policy and tactics, — in the (view) to certain specific things
- EIC review ^{ONE} draft after IAC action but Doherty, EIC advise on feasibility and actions prior to IAC action

Gen. Price
EIC assumes additional responsibility in asking ORR and IAC on feasibility and utility of studies on major economic problems.

On terms of reference are writing proposed letters of reference.

Doherty: feasibility of the proposed estimate be referred to the EIC Recommend to Armstrong.

25X1A9a [REDACTED]: raise with ONE for prior EIC consideration, Bill initiated.

Get priority establishment that NIE having a -- out of economic intelligence in it, be referred to the EIC.

Otto talk to Kent - staff evaluate before going to the top.

R-3

Ag. Subcommittee receptive to this project. No judgments as to Land Reform policies. Not an intelligent problem.

a) utility of this project

Recast into an evaluation of -- -- systems in countries outside the Bloc - low priority. Statement of vulnerabilities.

R-3 Get out next month.

3. Forthcoming Annual Progress Report to the IAC

Recommendations:

- King: brief and concise record of what EIC has done, trouble run into in input-output technique in one brief paragraph, have run into difficulty. Run down for the record.
- Doherty: tone of objections to restraint in describing their own activities (Subcommittee reports)
- Subcommittee focus became problem centered rather than topic centered. Turn this -- to problems of substances.

Priority Program
